About SIESCOMS/ SIESSBS:

The SIES College of Management Studies (SIESCOMS) was established in 1995. SIESCOMS envisages providing quality management education for the nascent professionals, the dynamic future managers for 21st century. SIESCOMS's foundation maps its roots to the rich tradition of South India Education Society (SIES), one of the oldest and value-based educational trusts that run a number of educational institutes in the city of Mumbai and Navi Mumbai. Located on a sprawling campus at Nerul, the academic hub of Navi Mumbai, SIESCOMS boasts of one of the best physical infrastructure and academic ambience befitting a modern B-school. A highly committed group of qualified and experienced faculty enjoying respect and recognition in academic community and corporate sector forms an enviable part of our academic team. Majority of them have managerial experience and continue to maintain close links with outside organizations through consulting and research. They are thus adept at bridging the gap between theory and practice. Our faculty have drawn on their passion for teaching, their experience in working with organizations worldwide, and insights gained from their research to educate generations of leaders who have shaped practice of business in every industry. The core faculty base of 54 is supplemented with over 100 visiting faculty from the corporate world. Research is at the core of SIESCOMS. The institute is also known for being one of the most innovative business schools always doing something new and creative, either in product or process. Result has been obvious – SIESCOMS has consistently been the top of mind recall for both students and corporate, as a cherished business school. Similarly, placement track record has always been phenomenal. The Institute has a strong corporate networking and is engaged in organizing a number of Management Development Programs (MDPs) and Consultancy Activities.
