Student Research Conference

March 29, 2023, Wednesday,

SIIES College Of Management Studies / SIIES School Of Business Studies, Nerul

About the Conference

It is a platform for students in higher education institutions to showcase their innovative ideas through research findings and exchange ideas with their peers. The conference also provides an opportunity for students to receive valuable feedback from experts in their field of work.

Conference Features

1. There will be student research paper presentations before a group of peers and subject experts.
2. There is no central theme. The students can submit research papers and make presentations on any topic that may relate to a “specific problem of an industry, or society, or nation at large.” The detailed guidelines regarding the presentation timings, etc. will be let known to the selected students in due course.
3. As a first step, the intending students should submit a “research paper” on a subject of their interest as mentioned above. The selection of papers for presentation will be based on the “quality of research and paper submitted”. A team of evaluators will decide it.

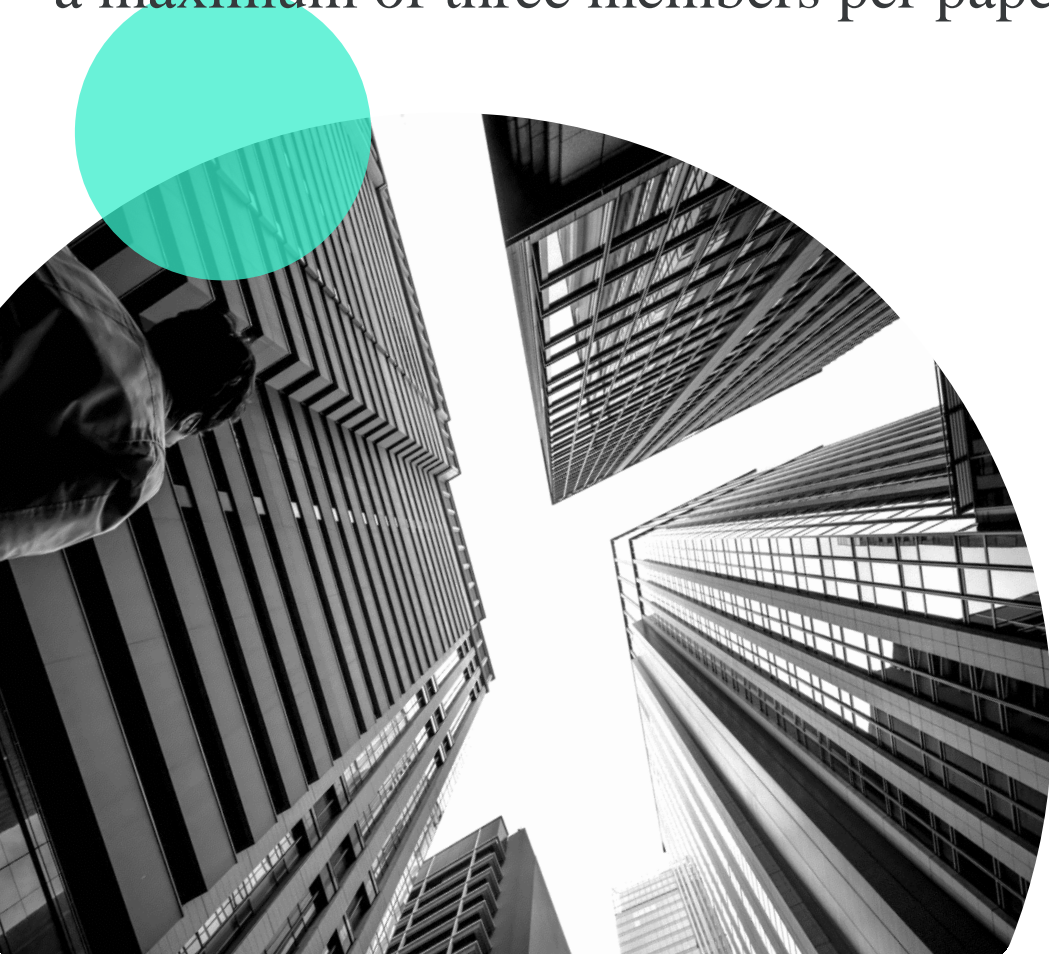

Paper Submission Guidelines

The paper should be original and contain solution to a particular problem through a research analysis.

In case of multiple authors, there can be a maximum of three members per paper.

The “paper submission guidelines” include:

- **First page:** Title, author(s) name, affiliation, email, and mobile number.
- **Second Page:** Title, abstract, five keywords, and the research paper contents with no name / identification of the authors.
- **Abstract:** 250 words (approx.) with five keywords, and the main paper should be maximum 2500-3000 words, including references.
- **Font size:** 12 points Times New Roman
- **Title and headings:** 14 points Times New Roman
- **Text:** 1.5 spaced.

- **Tables and figures:** Must be appropriately numbered and provided at the end of the paper.
- **Citation and References:** APA Style.
- The conference adopts a strict anti-plagiarism policy, and any submitted paper with more than 10% plagiarism will not be accepted for further processing.

Important Dates:

- March 15, 2023** ● *Last date for submission of full paper*
- March 20, 2023** ● *Date of acceptance to be communicated by the organizers*
- March 25, 2023** ● *Last date for registration for conference participation*
