

1st Global Immersion Program (GIP)

Visit to **Dubai**-11 students participated in 2015

Students also visited **UAE for a week** to see the various industries, educational institutions (University of Dubai and American University of Sharjah), and other tourist places and interacted with foreign faculty / students / alumni to get an in-depth exposure to the country (Dubai and other parts of UAE). This is a value-add course and a part of Global Immersion Program.
