

Placement Report 2026

Batch 2025-26

PLACEMENT 2026

“The institute stands tall because of its students.”

Placements in SIES Management institutes are professionally managed by a team of dedicated staff and students. The students are at the forefront of getting new and better companies every year. The cohort of students participating in campus placement program brings with them a wealth of diverse knowledge. Roughly one fourth of the batch every year come with diverse industry experience also.

There are three (3) types of placement cycles for Management Students: Internship placements, OJT Placements and Final Placements.

SIES is proud to announce the successful culmination of the final placement process for the batch of 2023-25.

We extend our deep gratitude to the faculty and alumni for their unwavering support and guidance in making the placement process a great success. We also extend our sincere thanks to the recruiters for their trust and support and look forward to building a long-lasting relationship with them.

SIES is committed to developing future leaders and driving progress through its students. We are confident that our students will continue to make a positive impact in the world.

Directors' Message

Dear friends,

Welcome to SIES College of Management Studies (SIESCOMS).

We represent one of the coveted business schools in the country. With a good number of highly qualified faculty in different functional areas including technology and state of the art infrastructure, SIESCOMS symbolizes the best academic ambience for students. The teaching methodology is application driven to ensure development of required competencies in terms of the Program Objectives

Besides studies, the institute also emphasizes holistic development of students. Adequate attention is paid to the physical as well mental / psychological growth of the students. They also spend considerable time on field projects, assignments which are application oriented and summer internships so that the students, by end of their journey, come out fully competent to shoulder any challenge of corporate responsibility.
